

Looking to hire an IFS Apprentice?

What is an IFS Apprenticeship?

An IFS Apprenticeship is a two year, nationally accredited work-based programme designed to meet employers needs, tackle the skills shortages in entry level roles and specialist level roles.

IFS Apprentices will gain a recognised professional qualification at levels 6 and 8 on the National Framework of Qualifications.

International Financial Services Apprentice programmes:

- **IFS Associate** – Higher Certificate in International Financial Services (Level 6)
- **IFS Specialist** – Higher Diploma in Financial Services Analytics (Level 8)

Benefits for your company include:

- Access to new talent pipeline
- New recruitment options
 - new hires in relevant apprenticeship roles*
 - pre-screen candidates with relevant qualifications
 - existing employees moving into relevant apprenticeship roles*
- Developed by industry for industry
- Improves staff retention
 - 2 year contract for IFS Apprentice
 - Mentor training for all IFS Apprentice mentors

Benefits for the apprentice include:

- Earn while you learn
- Gain a national qualification while working
- Excellent industry experience
- Opportunity for career progression

*Job specs must be reviewed by the education provider to ensure the learning outcomes can be achieved by the apprentices.

Steps for hiring managers – How it works

Step 1

Identify suitable roles for each apprentice level.

Step 2

Select suitable candidates – internal and external.

Step 3

Candidate selection options:

1. New hires in suitable apprenticeship roles;
2. Pre-screened candidates from a national panel;
3. Existing employees moving to suitable apprenticeship roles.

Step 4

Select a mentor for each apprentice (3 days mentor training per year with the Education Provider).

Company commitment:

Can you provide the apprentice with the following?

- Two year apprenticeship contract
- An experienced staff mentor/supervisor for the duration of the programme
- Release the apprentice for off-the-job training one day per week throughout the 2 year programme
- Access to systems or processes to assist the on-the-job learning
