# TEAM UP WITH APPRENTICESHIP AT THE AVIVA

Energy for generations

Rialtas na hÉireann  
Government of Ireland

ESB was delighted with the number and quality of applicants through our 2019 apprenticeship recruitment programme.

We recognise that making career connections and networking is not easy for many. In response, we are working with the Construction Industry Federation, the Apprenticeship Council, SOLAS and new apprenticeship employers to host a signposting and recruitment event for those who were not successful in ESB Networks Apprenticeship Programme 2019.

The event will take place at the Aviva Stadium on Thursday 26 September and it is free to attend.

This showcase will include interactive stands hosted by employers and education providers.

**You are invited to come along and team up with an apprenticeship that interests you.**

To make the most of your visit we have organised a simple registration. This will maximise your time to meet and learn about other employer apprentice programmes, as well as higher education and training providers.

You can register here at  
[www.gacomp.ie/aviva](http://www.gacomp.ie/aviva)
